SUMMARY

Experienced Front-End Developer with over 5 years of expertise in developing responsive and intuitive web and mobile applications. Specializes in React Native for mobile development, along with React.js and Next.js for creating seamless web solutions. Possesses foundational knowledge of Node.js for backend services. Committed to delivering high-quality, scalable applications while continuously enhancing technical skills and staying updated with the latest technologies.

EDUCATION

Cochin Institute of Science And Technology

Bachelor's Degree in Electronics and Communication Engineering
2016 - 2019

IHRD polytechnic college poonjar

Diploma in Applied Electronics
2013 - 2016

SKILLS

- Front-End Development:** React.js, Next.js, React Native
- Mobile Development:** Cross-platform mobile apps with React Native and Expo-CLI
- UI/UX:** Tailwind CSS, Flexbox, ShadCN UI, Responsive Design, Component-Based Architecture, User-Centric Interfaces
- Version Control:** Git, GitHub
- State Management:** Redux, Context API, React Query
- Backend Basics:** Limited knowledge of Node.js
- Tools & Technologies:** npm, Yarn, Webpack, Babel
- Deployment:** Vercel, Expo, Firebase, AWS EC2
- Collaboration:** Agile methodologies, Team Communication Tools (Jira, Slack)

PROFESSIONAL EXPERIENCE

Senior React Native Developer

Ruppells Solutions | 2024 - Present

- Spearheading the development of the ILM Learning App using React Native, ensuring a seamless cross-platform user experience.
- Assisted in building the ILM Web Application using React.js, focusing on responsive design and performance optimisation.
- Designed and implemented reusable UI components using Tailwind CSS and ShadCN UI, improving development efficiency.
- Taught front-end development classes to intern students, covering React.js, React Native, and modern UI/UX practices.
- Collaborated with a multidisciplinary team to align development processes with Agile methodologies.

React Native Team Lead

Techanise Solutions, Infopark kochi | 2023 - 2024

- Led a team in developing and maintaining React Native-based mobile applications.
- Delivered the Fresh and Fetch app, a food delivery and booking platform, focusing on smooth navigation and efficient performance.
- Developed the Oswoo App, a service booking application for hiring professionals in plumbing, painting, electrical, and other fields.
- Coordinated with UI/UX designers to implement user-friendly designs and improve user satisfaction.
- Guided the team in integrating APIs and implementing state management for scalable solutions.

LANGUAGE

- English
- Malayalam
- Tamil

HOBBIES

- Learning new features of React and exploring React Native animations through YouTube tutorials.
- Reading novels, with a particular interest in fiction and storytelling.
- Listening to Kukku FM for podcasts and entertainment.
- Watching science fiction movies to explore futuristic concepts and technologies.
- Researching science-related topics to expand knowledge and stay updated with current advancements.

React Native Developer

Webandcrafts, Infopark Koratty | 2021 - 2023

- Developed and maintained multiple mobile applications using React Native, delivering high-quality, user-friendly solutions.
- My EdTek Partner: Created an online learning program app tailored for IELTS preparation.
- IILT Learning App: Built an advanced e-learning app for IELTS, OET, and PET, integrating live streaming and video call features to enhance the learning experience.
- Syro Malabar Matrimony App: Designed and developed a niche matrimonial platform for the Catholic community, enabling seamless matchmaking.
- Smartfolios App: Delivered an intelligent equity investment platform offering curated stock baskets for personalised financial planning.
- Collaborated with cross-functional teams to ensure timely delivery and optimal performance of all applications.

Junior React Developer

Q-Dev Pvt Ltd, Technopark Trivandrum | 2020 - 2021

- Assisted in the development and maintenance of React.js and React Native projects, contributing to both web and mobile application development.
- Focused on enhancing foundational knowledge of React.js and React Native through active project involvement and learning initiatives.
- Supported senior developers in implementing UI components and debugging application issues.
- Gained practical experience in modern front-end development practices and tools.
